And that the different departments should not clash over an event and plan their events on separate days with mutual consent.</p> <p>It was decided to hold a workshops on topics that included multifarious development of the staff and students.</p>	<p>It was observed that most of the commitments were fulfilled and only some of the plans were not met out because of some inevitable circumstances. 6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

The vision and mission of the institution is basically to invade the territory of darkness and ignorance and illuminate it with the light of knowledge. It is even reflected in the Logo and motto of the institute. The prospectus begins with the quote: ASTO MAA SADGAMAYA, TAMSO MAA JYOTIRGAMYA. The basic intention of the college is to check the students from straying away from the right path of knowledge. This reason will come to them through the knowledge and wisdom catered to the students by industrious teachers. Our basic aim is to lead the students from darkness to the light of knowledge, irrespective of their economic or social status.

The vision of the college is reflected in the activities. Although we are bound to follow the prescribed syllabus of University as we don't have any autonomy to introduce any new topic. But all of us keep in mind the institutional mission and vision in our teaching method. Apart from giving syllabi knowledge, teachers give value education to their students to illuminate the darkness from their surroundings, to drive away from darkness of knowledge to wisdom and substantial values. Students are taught streams of science, humanities and education. Our learned faculty teach syllabs in a cohesive way. Students learn and try to imbibe them in life. Along with educational development, moral development is also sought by way of lectures, workshops, group discussions and presentations. Students learn to socialize themselves by way of free to face leaning, cultural activities, debate and quiz. Teachers laid emphasis of truthfulness of life. Teachers emphasize on the talent development of students by organizing different competitions like Mehendi, singing, Rangoli, Greeting Card making etc. Every year we celebrate the three National Days of Independence Day (15 Aug), Republic Day (26 Jan), Mahatma Gandhi Jayanti (2 Oct) and our Founders Day (12th Dec).
